Concern over 'unbelievable' number of assaults

## WAVE OF VIOLENT ATTACKS ON TEACHERS

**ATTACKS:** Teachers in Bradford have suffered 71 attacks in the last 59 days, according to GMB convenor Ray Alderman, below

SOURCE: Telegraph & Argus March 22 2007

# Teacher Assault

Opposite is a headline of a news article from the Bradford area which states that there were 71 assaults recorded on teachers and other school staff in a two month period. This type of assault is increasing, with many others not actually being reported. These incidents are leading to difficulties in recruiting staff in certain schools or areas.
