First for Safety: Waiting for a bus on or around train stations and bus stops

- You should wait at the bus stop, and stand well back from the kerb
- Wait sensibly at the bus stop or outside the train station
- Buses, lorries, trucks and other large vehicles have big wing mirrors - standing close to the kerb can result in you being hit by these mirrors!
- Remember the danger areas around school buses where the driver can't see you
- Don't run between parked cars and buses
- Don't run across the street or through a car parking trying to catch up with your friends
