## Who are Merseytravel?

Merseytravel are the Merseyside Passenger Transport Executive. They provide a fully integrated and environmentally friendly public transport network of trains, buses and ferries.

Merseytravel are controlled by elected councillors from the five local authorities of Liverpool, Knowsley, Sefton, St Helens and Wirral.

Merseytravel provide a wide range of public transport benefits for local people on Merseyside including:

- free travel for 250,000 elderly and disabled members of the community
- modern bus stations and over 6,000 bus stops and shelters
- crossriver links provided by Mersey Ferries and the Mersey Tunnels
- a new generation of Merseyrail stations across the region
- a network of ticket and information centres and a comprehensive public transport information line
