Travelling on the train

When you're at a train station
wait sensibly on the platform behind the yellow warning line, keep away from tracks and don't play ball games.

When you're on the train

- Find a seat and stay seated throughout your journey. If no seats are available, stand in a safe place where you can hold a handle.
- Show respect to the conductor and other passengers
- Always follow our staff's instructions. Conductors are there to help you and other passengers

- Have your travel pass or ticket ready for inspection
- Do not block doors or aisles with bags.
- Never play with or remove emergency equipment - it is provided for real emergencies and possibly for saving lives
- Do not damage or graffiti the train
- Please take your litter home or use bins on stations
