

Get a life - don't lose it!

Your friend thinks it might be fun to put something on the tracks

1. How would you persuade your friend not to obstruct the track?

2. What would happen if the track were obstructed?

3. Think up a slogan to warn others of the dangers of obstructing the track?

Write your group's answers on the flip chart provided

Use big writing so that everyone can read your answers

Present to the class
