### Bad Days for Thomas and his Friends

The 'Bad Days for Thomas and his Friends' whiteboard resource allows you to project the pages of the book and provides a basis for you discuss with your pupils the rail safety messages highlighted.

The resource is a digital version of a printed publication that can be ordered free of charge by visiting the Track Off website at: <http://www.trackoff.org/materials.html>

1 The PowerPoint version of the resource reproduces the book in digital form with learning points added to the program.

2 The Smart Notebook version of the resource allows you to:

- Use the page images only and create your own text
- Import the provided text from the gallery for each page
- Import the Policeman Len character to indicate a learning point
- Import the Charlie the Crow character to provide the answer
- Import characters and speech bubbles to create your own learning points
