

Without plants all other living things could not exist. Plants come in a variety of shapes, sizes and colours.

They live in virtually every place on earth.

The parts of a simple flower.
Complete the labels from the words below.

*Help to look after plants!
Don't pick wild flowers.*

ANTHER	PETAL	SEPAL	RECEPTACLE	FILAMENT	PISTIL
--------	-------	-------	------------	----------	--------

Different plants need different habitats to grow. Protect the habitat, protect the plant.

Find out what each part of the flower does.

N. C. Programmes of Study Levels 4-5 Science
